DON'T STOP TOBACCO.

How to Cure Yourself While Using It.

The tobacco habit grows on a man until liis nervous system is seriously affected, impairing health, comfort and happiness. To quit suddenly is too severe a shock to the system, as tobacco to any veterate user becomes a stimulant that his system continually craves. "Baco-Curo" is a scientific cure for the tobacco habit, in all its forms, carefully compounded after the formula of an eminent Berlin physician who has used it in his private practice since 1872, without a failure It is purely vegetable and guaranteed perfectly harmless You can use all the tobacco you want while taking Baco-Curo." It will notify you when you stop. We give a written guarantee to cure permanently any case with three boxes, or refund the money with 10 per cent. interest. "Baco-Curo" is not a substitute, but a scientific cure, that cures without the aid of will power and with no inconvenience. It leaves the system as pure and free from nicotine as the as pure and free from nicotine as the spure first chew or smoke.
